CALL FOR PAPERS #1

TOMSK, June 24-25, 2020

The 29th “Dulzon Readings” International Conference

Traditionally, the “**Dulzon Readings**” international conference series covers a wide range in the studies of peoples & languages of Russia and encompasses linguistic, ethnographic and archaeological studies of the minor ethnic groups of Russia. The main scope of research interests includes the following aspects of synchronic and diachronic studies of languages and cultures of Siberian indigenous peoples: phonetics / phonology, morphology, syntax, lexical semantics, pragmatics with respect to common typological and areal perspectives, as well as issues on documenting, retaining and revitalizing the indigenous / endangered languages.

Panel discussions / workshops on the “**Typology of the Simple Sentence in Structurally Diverse Languages**” will also be held during the 29th International Conference “Dulzon Readings”.

TOMSK, June 26-27 2020

The VIII International Conference on Samoyedic Studies

Scholars working in all spheres of the Samoyedic studies – linguists, folklore specialists, ethnographers and anthropologists are kindly invited to participate in the conference.

Information on abstract submission and panel / workshop participation in the conferences:

- For the panels / workshops within the conference: please, submit applications **by March 31, 2020** with a set-up topic, planned scope questions for discussion and list of participants, if known. Please, email your applications to the conference email: siblang@tspu.edu.ru with “**Panel DR-29**” or “**Panel Samoyedic-2020**” in the subject line.
- Please, email your abstract(s) **by March 31, 2020** to the conference email: siblang@tspu.edu.ru with “**Abstract DR-29**” or “**Abstract Samoyedic-2020**”. The abstracts should be of 150-350 words, written in the Times New Roman font, size 12, with the DoulosSIL / CharisSIL font(s) for language examples, a reference list arranged alphabetically, interlinear space 1.5, and all margins 2.5 cm. We kindly ask to submit the abstracts in two formats: MS Word.doc(x) and Adobe.pdf, especially if complex graphics, tables or potentially problematic glosses are present.
